We encourage you to send in pictures, stories and video to us for our future newsletters and on our Facebook page. Please email the items to aneu@adaptivesportsmen.org, or jmitchellwi@prodigy.net. Please include the names of the people in the pictures so we can properly acknowledge the participants. We will try to get all of them into our newsletter as space provides.

Booth Season
Our booths at various Sport Shows around the state allows us to make contacts with new members, volunteers and landowners to carry on our mission of Outdoor Recreation for Physically Challenged People. It is also an opportunity to raise some funds through our raffles that help pay for the events we hold. We encourage members to participate in these booth events. Those of us with physical challenges can be mentors and can explain the mission to others that want to enjoy Wisconsin’s outdoors. Thank you.
Kelly Lake Grand Opening

The pier is completed and over 70 people were present for the dedication. It was great to see the two busses from the VA. Dozens of fish were caught and released using old augers that were donated for our use by two volunteers. The weather was below normal temperatures. The large tent supplied by Dennis was a God send. The musical group played and sang there throughout the day. The fire ring was a popular gathering spot for conversation. People also gathered around the 24 Tower chickens that were slowly turning red in the spit as George tended the devices. Great food with pots of coffee and two gallons of hot chocolate. We had 10 salads and a dozen deserts in the potluck with no duplicates. Steve Starz who organized the event donated Venison and plaques as a token of support for our appreciation of the Adaptive Sportsmen's efforts to make this possible. Ben from the DNR gave a report on his study of the lake to complete the ceremony. Mary had her bucket filled to add more fun. Thanks also to all of the volunteers that made or served the food and those who made our event a memorable lot. May God Bless you all.

Thanks to Glow Prow for the donation of lures for our use and to Dennis Schafer for the use of the tent. Artistic Tinting & Auto Detailing and Kendor Boating Supplies were other sponsors. The volunteers were Ron, Joe, Tim, Matt, Harry, Patricia, George, Dennis, Patrick, Al, Todd, Dale, Duane, Diane, Greg, Larry, Helga, Jennifer, Diane, Margo, Lloyd, Gary, Austin, Rorie & her brother, the Welsh brothers, Conner, Ben, the Teffer family and one more thanks to Steve Starz for his hard work and dedication for weeks before the event.

If you want to spend some time fishing off the pontoon boat contact Steve Starz 262-321-9853. He will set you up with one of our boat captains. There is a ramp on the pontoon to get in and out of the water. You will need a fishing license, small game hunting and fishing licenses, and a small game hunting and fishing boat license. May God Bless you all.

Spring Turkey Hunt

A small group "Got the Water in February" to have an ice fishing experience. John Martinson transported those interested from shore to ice. Northern's were caught and released. We look forward to a larger group in 2017 to use the ice fishing gear that was recently donated.

ASI Cookbook

Do you have a favorite recipe? Something grandma or your great Aunt Sarah used to make all the time and got rave reviews? We're looking for your tried and true recipes for an Adaptive Sportsmen's cookbook, along with your memories to help inspire others to cook, write, and cook some more.

Kelly Lake Grand Opening

We hosted a group of 7 disabled teens from Variety Wisconsin at an Archery Shoot at Westown Archery in Brookfield this spring. It was a lot of fun to see the disabled teens quickly figured out how to hit the targets and enjoyed a fun time putting arrow after arrow into the targets. They started shooting at the 3-D targets and after a few misses they got the hang of it. They all looked at the 3-D target that also had a turkey hunt and deer hunting and the teens insist on spending the evening selling the tickets to other hunters and hunters in the future. We look for opportunities to introduce young disabled people to the various outdoor activities open to disabled people in Wisconsin.
